Amir Mukhtar

PHP Developer / PHP Web Developer / Laravel Developer at Creative Tech Solution

Hi there
I started my career as PHP Laravel Developer and worked in different PHP Frameworks which help me to understand web application architecture and design, in addition to coding. I use vsc and sublime for editor. Github and Gitlab for storing, tracking, and collaborating my software projects.

I believe 'Learning is necessary to survive in the field of IT'

📊 Strengths & Skills

- ✔ AJAX
- ✔ CSS
